To All Firearms Applicants:

There has been substantial change to Firearms law in the State of NJ recently. Below you will find information for Firearms Purchaser Identification Cards ("FPIC"), Permits to Purchase, and Permits to Carry Firearms. Please be patient since some of the mechanisms in the process have not been fully completed at this time. We will continue to process applications in the hope of having them ready when the remaining processes have been completed. Below are the new required items and information pertaining to the same.

Effective July 5, 2022, N.J.S.A. 2C:58-3 was amended to require applicants who apply for FPICs or permits to purchase handguns to provide proof of firearms training. This training requirement applies to pending applications and permits.

- Applicants are to demonstrate that within four (4) years prior to the date of application; they have satisfactorily completed a course of instruction approved by the Superintendent of State Police in the lawful and safe handling and storage of firearms. **This training has not been determined at this time.**
- Although applicants seeking FPICs or permits to purchase handguns are now required to demonstrate this compliance prior to obtaining their first FPIC or permit, compliance is not required for any subsequent permit to purchase by an applicant.
- Applicants for FPICs are not required to demonstrate compliance in order to replace or renew an existing FPIC.
- These training requirements are not applicable to an active or retired law enforcement officer or a veteran who was honorably discharged as a member of the United States Armed Forces or National Guard and who received substantially equivalent training.
- All FPICs issued after July 5, 2022 are to display a color photograph and thumbprint of the cardholder. The Superintendent of State Police is required to establish guidelines to effectuate the issuance of these new FPICs, which now have to be renewed every ten (10) years. **The Superintendent has not yet done so; therefore, any pending applications cannot be approved until he issues his guidelines.**
